

Good morning CPDHS members,

As lawns and gardens begin to reappear from under a thick blanket of snow, we are reminded of the promise and excitement of Spring. And... What could be more exciting than an evening with your friends at the CPDHS April meeting?

Our April meeting is next Wednesday, April 5th, at 7pm (doors open at 6:30)

Our guest speaker is Brittiny Lepage who will present:

Growing Dahlias with The Dahlia Darling!

Brittiny Lepage is a local Dahlia and cut flower grower in Carleton Place. She Grows Dahlias for Exhibition Shows and for wedding events and flower arranging. She is a Dahlia hybridizer who is breeding her own varieties of Dahlias.

Brittiny will be showing you how to successfully grow Dahlias in our local growing zone. Everything from starting your tubers in Spring, growing all Summer long and digging them up and storing away for Winter.

She will also have an assortment of Dahlia tubers and already growing Dahlia plugs for sale for anyone who would like to try growing them this year for themselves!

Mark your calendar and come to enjoy an informative and fun evening. Don't forget to bring a friend or friends to this special presentation
